Internet Company Launches FunnyTies.com

HARTFORD, CT --- Outrageous Ventures, Inc. has launched a new website---FunnyTies.com, selling thousands of novelty and gag neckties. **FunnyTies.com goal is to reach a whole new market of customers that Outrageous Ventures has yet to capture.** Outrageous Ventures, Inc. owns and operates several e-commerce websites including the largest online store for Gag Gifts; PrankPlace.com, as well as the largest online catalog of items targeting the college and social market; DrinkingStuff.com.

Outrageous Ventures, Inc. is rapidly growing and the launch date of FunnyTies.com being mid-May was strategically selected so the website can acquire a lot of Father's Day online shopping traffic. All of the ties are either funny or a great gag gift, so they will mostly be sold to people looking to buy a present for a man in their lives. Steve Wampold says "We usually try to create sites that have a variety of products all with one common theme, especially with PrankPlace [.com]. FunnyTies [.com] will only be selling ties, but the selection will be outrageous and funny and hard to find anywhere else".

There are 12 categories of neckties as well as many more subcategories. Creative Director Jason Nocera says, "With so many ties to pick from and all [of them] being in different categories, it will be easy to navigate through the site [FunnyTies.com]. If you're looking a particular musical instrument tie for example, you'll be able to get to that section in seconds." **With this very user friendly site, FunnyTies.com plans on making a large profit in no time.**
