Outrageous Ventures, Inc. Launches Sporks.com

HARTFORD, CT (August 25, 2008) --- Outrageous Ventures, Inc. has launched it's latest outrageous e-tailer Sporks.com. The mission of the new brand is to provide consumers with a one-stop shop for hundreds of innovative and unique kitchen items. Outrageous Ventures, Inc. owns and operates several e-commerce websites and brings years of customer service, sales experience and design expertise to its new venture.

The idea of starting up a quirky and funny website devoted to the kitchen has been on the mind of owner Steve Wampold for a while now. "It fits right into the OV [Outrageous Ventures] niche. I love cooking and eating with fun quirky gadgets. Nothing on Sporks [.com] will be found at Wal-Mart!"

The product line ranges from practical fun kitchen supplies to stuff you never thought you'd need. "The Junk Drawer is one of my favorite categories. Everyone I know has one [a junk drawer] and I just felt the site needed to try and model after a real kitchen", creative director Jason Nocera says.

Outrageous Ventures, Inc. owns and operates; Sporks.com, PrankPlace.com, DrinkingStuff.com, GolfGiftsEtc.com, FunIdeas.com, FunnyTies.com, GagWorks.com and BigMouthToys.com. For more information on Sporks.com and/or Outrageous Ventures, Inc. call Shannon Hartigan, 1-800-592-0293.
